

New Committee Members

The Chairman is looking to recruit new members onto this Committee. In particular he is looking for somebody with a background in office administration to offer him secretarial support as the role of Secretary is currently vacant.

The Committee is also short on members who are physically capable of moving and carrying the furniture that is used at the monthly market and various other events taking place in the Hall.

The Parish Hall is a very important part of the local community and is used as a venue by local committees and groups for their meetings & events. It is very important to the Committee that we continue in this way, but we are struggling to find people to help with the 'background' tasks essential for the successful running of the Hall.

Please consider coming to join us, this is such a worthwhile Committee to serve on.

If you are interested and would like to find out more, why not come along to our AGM which is taking place on Tuesday 21 April 2020 at 7.30 p.m. when you can chat with Committee members.
